Your Financial Aid Award Letter has been evaluated:

Award Letter (offer of funding) Summary			
College:	Florida Southern Coll	% of Need Met **:	71
Total Cost of Attendance **:	\$34,920	% of Gift Aid Offered **:	74
- Expected Family Contribution:	\$61,477	Target Gift Aid:	\$0
= Student's Financial Need:	\$0	Gift Aid Awarded:	\$15,500
<i>FANTASTIC OFFER !!</i>		Difference:	\$15,500

** Figures and percentages are based on the institution's reported cost of attendance and history of awarded funding.

The Student's Financial Need is determined by subtracting the Expected Family Contribution (EFC) from the Total Cost of Attendance (COA). Although this is the most common formula, be advised that some institutions will vary their formula slightly, which will alter the Student's Financial Need and ultimately the funding offered. This generally enables a school to offer students, they most want to attract, additional funding; while others may be offered less.

In the above evaluation, the Student's Financial Need is multiplied by the Percentage of Need Met and Gift Aid Offered to determine the Target Gift Aid. This is the amount of Gift Aid (money that does not have to be repaid) that the student may expect to receive directly from the institution. Please be advised that the amount and type of funding that the student receives is ultimately the decision of the institution's Financial Aid Officer (FAO).
