ALEXANDRA

Dear ALEXANDRA

Your Student Ald Report (SAR) summarizes the information you submitted on your Application for Federal Student Ald (FAFSA).

Application Status (review the checked boxes)

Your FAFSA appears to be complete. Review the data on pages 3-10 of your SAR and make corrections or updates If necessary. The school(s) listed on your FAFSA will receive your information.

Federal Student Aid Eligibility (review the checked boxes)

The data submitted on your FAFSA is used to calculate your Expected Family Contribution (EFC), which is 99999.

The EFC is not the amount of money that your family must provide. Rather, you should think of the EFC as an index that colleges use to determine how much financial aid you would receive if you were to attend their school. Financial aid may include grants (free funds that do not have to be repaid), low-interest loans (borrowed funds that must be repaid), and/or work-study (paid part-lime employment). Please note that your EFC is subject to change if you update or correct your FAFSA.

Your financial aid package could also include other federal; state, or institutional grants and scholarships, and/or a work-study award. Your school's financial ald office will advise you of the specific types and amounts of student aid you are eligible to receive. For more information about the EFC, grants, loans or work-study, scholarships and other sources of aid go to www.FederaiStudentAid.ed.gov/aidInto.

Based on your EFC it appears that you are not eligible for a Federal Pell Grant but you may be eligible for other ald.

You should keep this SAR for your records!
