** Figures and percentages are based on the institution's reported cost of attendance and history of awarded funding.

The Student's Financial Need is determined by subtracting the Expected Family Contribution (EFC) from the Total Cost of Attendance (COA). Although this is the most common formula, be advised that some institutions will vary their formula slightly, which will alter the Student's Financial Need and ultimately the funding offered. This generally enables a school to offer students, they most want to attract, additional funding; while others may be offered less.

In the above evaluation, the Student's Financial Need is multiplied by the Percentage of Need Met and Gift Aid Offered to determine the Target Gift Aid. This is the amount of Gift Aid (money that does not have to be repaid) that the student may expect to receive directly from the institution. Please be advised that the amount and type of funding that the student receives is ultimately the decision of the institution's Financial Aid Officer (FAO).

You are receiving this ON CAMPUS Scholarship because you are living in the TSU residential units, apartments and/ or Villas. It is part of your academic merit award. If you add your academic merit award and this on campus scholarship you should equal the total award. If you move off campus you will lose eligibility for this award and you will see it removed from your award letter. Please refer to your Confirm Merit letter from the Office Of Admission for further details. As long as you reside in University housing you will NOT lose this portion of your Merit Award.
