Re: Melissa

Dear Mr. Howe:

I am forwarding a copy of the award letter Melissa received from Abilene Christian University. We discussed earlier this spring about attempting to negotiate with ACU for funds for her dorm room and cost of books per semester. I understand these funds are not included in the Presidential Scholarship. I also need information on how the \$1,000 scholarship she received from the _____ Foundation will apply to her needs at ACU. Do I need to contact them and advise them as to what school she will be attending?

Melissa has been to so many award banquets and meetings this month and will be attending graduation ceremonies on the 31st. We are very proud of her accomplishments. She finished the semester ranked third out of 495 students at Amarillo High School with a 99.59 GPA (only 2/10 of a point away from Salutatorian)!

I appreciate all your assistance this year with Melissa. Troy and I are looking forward to working with you and CFS for my 15 year old, Amanda _____. She will be a junior next year. She is a gifted and talented student like Melissa. Her interests are primarily in dance. She has taken dance lessons for 11 years. We would like any information concerning schools that focus on the arts and religion (Christian). I would like to begin preparing for her this year.

Once again, thanks for all your help.

Sincerely,

Kelly
