Dear Mr. Howe,

I would like to take this opportunity to personally thank you and Mr. Jeff Chaney for all of your professional services in obtaining college funding for my daughter Courtney

As you know, Courtney is attending Saint Mary's College in [REDACTED] without Mr. Chaney's assistance and the services of your company, financially this would be prohibitive. My wife and I think that signing up for your services was the best investment that we have ever made. The cost to benefit was substantial, if the returns on investments were the same for our stocks we could pay cash for a luxury car.

During the course of obtaining funding for Courtney we were surprise to learn that our son qualified for tuition wavier at California State University [REDACTED] We found this out from the hundreds of grants and funding sources that we were inundated with from your company.

Mr. Jeff Chaney and College Funding Solutions have saved us thousands of dollars, for which, we are extremely grateful and appreciative. We will spread the good words to everyone we know.

Thank You,

Byron D.
